

SkyHouse
Design Centre

PREMIER LOCATION FOR HOME DESIGN

Sky House Design Centre is the premier location within the South East for residential design and build projects. The two storey spaces houses permanent showroom and exhibition space for some of the UK's leaders and innovators in residential design and products.

If you're an architect, designer, project manager or home owner you can find design solutions to almost every element of your build under one roof from bespoke contemporary kitchens, fire places, windows, doors, soft furnishings and art to behind the scenes, essential technologies such as home automation and security.

The modern design centre has spaces where visitors can sit, relax and go over their project plans. Local networking and design clubs will find a bright and modern venue for their regular meetings or one off events.
